<b>Preface</b>	<b>3</b>
<b>1 Our uncertain view</b>	<b>4</b>
<b>2 What to expect when you're expecting</b>	<b>5</b>
<b>3 Simulating success</b>	<b>6</b>

# Preface

$$\int_a^b f(x)dx = f_r$$

Hello?

# **1 Our uncertain view**

This is the bit about probability

## **2 What to expect when you're expecting**

This bit about expectations

### **3 Simulating success**

This bit about rv in R

Here we are??

Still more
